## 7. Woodland USB Range

E97307

The Woodland USB Range is available in three different finishes. Light wood (maple) or dark wood (walnut) options are both FSC certified. Alternatively, if you're looking for a naturally sustainable USB stick, choose Bamboo Can either be printed or engraved with engraving being the more popular option. Finishes vary due to being a natural product, but we try and keep a uniform colour across any one order. There are also two sets of small magnets inserted in the cap and body of the flash drive to secure the cap in place, giving it a top quality feel.
