Brand logos: The products bearing names and trademarks in the catalogue do not necessarily imply that the owner of the name or trademark has been supplied with the shown product. They are only representative of what could be achieved.

Unless stated all prices include a one colour personalisation in one position, artwork and origination are extra. Delivery charges may also apply and prices are exclusive of VAT at the current rate.

While every effort will be made to hold the prices shown in this catalogue during its lifetime, we would recommend you contact us for a firm quote on your required product.

Drinkware

1

1. Durham ColourCoat Etched Mug E94701

Durham style mug with intense pantone matched body colour that will not fade during the printing process, the inside of the mug remains white. Also incorporates the innovative etched decoration technique, enabling your design to be permanently etched into the mug. Etching is a subtle effect but gives your design maximum impact. It gives a 3D effect with a high quality, tactile finish. The mug base can also be printed in 1 colour, extra charges apply. Etching is applied in one position as standard, second side / position extra cost.
